

(c) As mutually agreed by USDA and the Department of the Army Corps of Engineers, the report and EIS are forwarded to Congress through appropriate channels after technical, public, and interagency reviews in accordance with NRCS policy as described in §622.34, or in accordance with the Corps of Engineers' policy concerning technical and public review. Implementation of these plans is contingent on congressional action.

§ 621.31 Who may request assistance.

Any organization, group, or State or local government may request assistance.

§ 621.32 How to request assistance.

Applicants for a joint investigation and report should request their congressional representative(s) to initiate appropriate action under Pub. L. 87–639.

§ 621.33 Conditions for approval.

A joint investigation and report is authorized by a resolution of the Committee on Environment and Public Works of the U.S. Senate or the Committee on Public Works and Transportation of the U.S. House of Representatives. Studies are initiated when funds for them are appropriated by the Congress.

§ 621.34 Recipient responsibility.

Participating local and State governments work with USDA and the Department of the Army representatives in developing objectives, collecting data, analyzing problems, planning and formulating proposals, and considering financial plans. Active public participation is solicited in the planning process through means such as questionnaires, public meetings, citizen advisory boards, and technical committees.

Subpart E—Interagency Coordination

§ 621.40 Participation in Federal interagency policy activities at the national level.

(a) Policy development in water and related land resources is coordinated at the Federal level through the Cabinet Council on Natural Resources and Environment. NRCS provides staff sup-

port and representation in these activities as requested.

(b) Within the Department, all interested USDA agencies participate in water policy development through the USDA Committee on Natural Resources and Environment and the Water Issues Work Group.

(c) NRCS provides appropriate staff support when requested for committees, work groups, and task forces established for interagency coordination of water resources related activities of Federal agencies.

§ 621.41 Participation in Federal-State policy and planning activities at the regional level.

(a) NRCS has a responsibility to represent the Department when needed to assist regional water planning entities and interagency committees which coordinate water resources planning activities.

(b) For the Arkansas-White-Red Basin Interagency Committee (AWRBIAC) and the Pacific Southwest Interagency Committee (PSIAC), the USDA member periodically serves as chairperson and provides an executive secretary. For the Southeast Basin Interagency Committee (SEBIAC), NRCS periodically provides an executive secretary for the chairperson, who is a State government official.

(c) Under the leadership of NRCS, other USDA agencies, principally the Forest Service and Economic Research Service, also participate.

§ 621.42 Federal-State compacts.

NRCS is designated to represent USDA in assisting the U.S. Commissioners of the Delaware River Basin Commission and the Susquehanna River Basin Commission. In carrying out this responsibility, NRCS provides a liaison officer to work with the U.S. Commissioners on policy level matters, as well as providing the USDA representatives on the Federal field committees to assist the Commissioners.

§ 621.43 Interstate compacts and commissions.

As assigned, an NRCS State Conservationist is the USDA point of contact for governing bodies of interstate compacts and commissions concerned
